## EXTERIOR CLEANING

### 1 CAR SHAMPOO

A concentrated soap detergent, specially formulated for cleaning vehicles by hand.

### 2 FORMULA 1

A concentrated car shampoo for all vehicles. Can be used through a machine or for general handwashing applications. Dilute with up to 60 parts water.

### 3 RT200

An all-in-1 degreaser, detergent and waxing compound to remove grease, grime and all traffic film deposits from vehicles. Dries to a high shine, giving extra protection against light rust and re-depositing of traffic film. Dilute with up to 100 parts water.

### 4 TITAN

Super detergent designed to efficiently remove surface dirt from all kinds of vehicles without affecting the paintwork. After rinsing, the vehicle surface will be left with a high gloss wax film, which protects the surface against moisture and atmospheric weathering effects. Dilute with up to 60 parts water.

### 5 WASH N WAX

Designed to efficiently remove surface dirt from all kinds of vehicles without affecting the paintwork. After rinsing, the vehicle surface will be left with a high gloss wax film, which protects the surface against moisture and atmospheric weathering effects. Dilute with up to 60 parts water.

### 6 WASH N WAX SUPREME

A highly concentrated vehicle shampoo and waxing compound that leaves a protective shine. Dilute with up to 600 parts water.

### 7 TRUCKWASH

Concentrated truck washing detergent. Can be used through a pressure cleaner or by hand. Dilute with up to 60 parts water.

### 8 FLEET

A truck washing detergent and all purpose degreaser. Effective for dissolving oil, grease and grime from painted surfaces without affecting sound paintwork. Dilute with up to 40 parts water.

### 9 MULTISOAP

A general purpose neutral detergent for light to medium duty applications. For cleaning and degreasing and regular maintenance of all surfaces. Dilute with up to 60 parts water.

### 10 DISSOLVE

A medium duty alkaline solvent detergent especially formulated for dissolving of oils, grease and grime from all surfaces. May also be used in hot water pressure cleaners. Dilute with up to 20 parts water.

### 11 CAR POLISH

Polish application for regular maintenance to enhance the appearance of the vehicle. Apply with a clean cloth and buff to a high shine.

### 12 VARIKLEEN T

An economical washing powder especially formulated for the washing of tarpaulins and canvasses.

### 13 P.O.G.

For the removal of tar and bitumen as well as heavy build up of grease from trucks and tankers. Use as supplied. This product must only be used on non-painted surfaces as it can affect certain painted surfaces.

## HEAVY DUTY DEGREASERS

- 14 BLAST OFF**  
A solvent based, ready to use engine cleaner, parts washer & floor degreaser. It contains an emulsifier which enables rinsing off with water after degreasing. Use as supplied.
- 15 ENGINE CLEANER**  
A ready to use solvent engine cleaner. Fully emulsifiable with water.
- 16 PARTS WASHER**  
A ready to use solvent parts cleaner. Fully emulsifiable with water.
- 17 G3**  
A powerful emulsifiable solvent degreaser for the removal of tar, bitumen, wax and latex by-products. A heavy duty workshop floor cleaner. Ideal for cleaning cement pavers and service station forecourts.
- 18 GREASE EATER**  
A strong emulsifiable solvent degreaser for the removal of oil, grease and workshop grime from engines, chassis, small parts and floors.
- 19 GREASE EATER (WATER BASED)**  
A highly concentrated water based degreaser that cleans vinyl and plastic garden furniture, sinks, pots and pans, engines, mags, equipment and garage floors. Leaves no residue. Dilute with up to 500 parts water.
- 20 TAR & BITUMEN REMOVER**  
A powerful, emulsifiable, solvent degreaser for the removal of tar, bitumen, wax and latex by-products. Use as supplied.
- 21 TRAFFIC FILM REMOVER**  
A heavy duty general purpose cleaner and degreaser for engines and chassis, (a concentrated blend of detergents and sequestrants specifically formulated to remove traffic film, oil, grease and general soiling from all types of vehicles). Dilute with up to 40 parts water.
- 22 HD100**  
A powerful and effective degreaser for dissolving heavy oil, grease and grime from all surfaces. Can be used in hot or cold pressure cleaners. Dilute with up to 100 parts water.
- 23 SUPERCHARGE**  
An eco friendly, super concentrated, heavy duty cleaner and degreaser which contains a citrus extract. Cleans all washable surfaces that are heavily soiled. Dilute with up to 500 parts water.
- 24 SUPERCHARGE 50**  
An eco friendly, more ready to use, heavy duty cleaner and degreaser which contains a citrus extract. Cleans all washable surfaces that are heavily soiled. Dilute with up to 250 parts water.
- 25 MAXI FOAM**  
A concentrated heavy duty water based degreaser. Dilute with up to 60 parts water.
- 26 DERUST**  
An acid based cleaner used for removing light rust and oxidation from aluminium and stainless steel surfaces. Ideal for cleaning mags and wheel rims. Use as supplied.
- 27 ALUMINIUM CLEANER**  
A water based acidic cleaner for aluminium and stainless steel parts on vehicles, i.e. mags, rims, diesel tanks, engine grilles etc. Dilute with up to 6 parts water.
- 28 POWDER DEGREASER**  
A non-caustic powder degreaser for soak tank degreasing. Best used in a heated tank. Suitable for floor degreasing and cleaning. Use 4kg to 100L of water.
- 29 PREPCLEAN**  
A general purpose pre-wash spotter to aid in the removal of bugs and road grime from heavily soiled areas, i.e. engine grilles, wheel hubs etc.
- 30 BE369**  
This product contains only fully biodegradable raw materials. An environmentally friendly detergent and powerful degreaser. An all surface cleaner. Dilute with up to 50 parts water.
- 31 BE50**  
An environmentally friendly detergent and light degreaser. An all surface cleaner. Dilute with up to 30 parts water.

## INTERIOR CLEANING & TYRE DRESSINGS

### 32 P.O.G.

A spot remover for carpets and cloth upholstery. Removes bubblegum and tar. Use as supplied. Apply with a clean cloth and dab to remove spots.

### 33 LASERWASH

General purpose cleaner and degreaser for high pressure and steam cleaning of carpets and upholstery. Dilute with up to 10 parts water for steam cleaning. Dilute 100ml with 12L of water for carpet cleaning. Use together with 50ml of Laser FABSOFIT.

### 34 LASERFRESH

A perfumed general purpose cleaner and degreaser, specially formulated for steam cleaning of carpets and upholstery. Dilute with up to 10 parts water for steam cleaning. Dilute 100ml with 12L water for carpet cleaning. Use together with 50ml Laser FABSOFIT.

### 35 WINDOW CLEANER

Window, tile and mirror cleaner. Dilute with up to 5 parts water.

### 36 PENETRATING OIL AEROSOL

An aerosol moisture displacer, lubricant, mild rust remover, water repellent and penetrating oil.

### 37 SPRING FRESH AIR FRESHENER

A car and vehicle air freshener. Can be sprayed lightly over the material seat covers and carpets to leave a lingering fresh scent.

### 38 AIR FRESHENER

A ready to use perfumed liquid deodoriser. Use as supplied in a trigger spray bottle.
